

Type: Project Feature Restructure	Title: Title	Status: OM ON D X BL
Context: OM = Omitted ON = Ongoing D = Deprecated X = Executed BL = Backlogged		

Core Decision: Salient point of change

Prospects	Decision Parameters	ØTD Concerns
You can insert anything here	This includes tables, lists, and graphics	With modularity, this row of pages is also optional

Decision Process	Results and Conflicts
I suggest at least using this row via \deploy	Templates are still in the making

<div>Insight Report</div> <div>This is entirely optional as well Express change in decision using Δdelta</div>
